

National Transit Institute

National Transit Database Course Offerings

NTI, in cooperation with the Federal Transit Administration (FTA), is offering a course to help transit professionals learn the necessary skills for reporting data to the NTD internet reporting website.

Topics include:

- Benefits and impacts associated with the NTD annual reporting
- Defining the apportionments (i.e., Urbanized Area Formula Program - UAFFP, Small Transit Intensive Cities - STIC, and Fixed Guideway Modernization)
- “Who” reports and “What” to report
- NTD annual reporting website – functionality and automation
- The 6 standard NTD reporting modules (Basic Information, Financial, Asset, Service, Resource, and Federal Funding Allocation), as well as Declarations and Independent Auditor Statements
- 2010 report year updates

This course is intended for transit professionals whose responsibilities include some or all of the following related to the National Transit Database (NTD): reporting, statistical compilation, or other financial duties and activities. This is an introductory level course. The content is geared for people with little or no experience using the NTD reporting system.

Course Dates and Locations:

- July 28 - 29, 2010 Seattle, WA
- August 24 - 25, 2010 San Diego, CA
- September 15 - 16, 2010 Sioux Falls, SD
- October 13 - 14, 2010 State College, PA

**Note: Additional course offerings will be available in Austin, TX; Boston, MA; Charlotte, NC; and Murfreesboro, TN. Please check our website for updates.

Register Today!

This course is **FREE** to public transit agency employees and government employees involved with public transportation. To register for the course, visit our website at **www.NTIONLINE.com** and click on Transit Program Management and Compliance, and then National Transit Database.
